Summary: The Elephant in the Room wines are proudly large in scale and expansive in flavour. Ignoring fashion and braving the scorn “wine thought police” Elephant in the Room was created to give consumers exactly what they want – full bodied and mouth-filling wines that deliver maximum pleasure. Each wine is sourced from slow-ripening cool climate vineyards in the Limestone Coast of South Australia and partially matured in French Oak before final blending and bottling by Corey Ryan.

Vineyards: Sourced from established vineyards in the Padthaway district of the limestone coast. The sheltered aspect and consistent temperatures combine to ensure the retention of natural acidity in the elegant fruit harvested.

Winemaking: Picked partially by hand. The majority of the blend was vinified in stainless steel with high solids and oxidative handling with fifteen barrel fermented with lees stirring. About forty percent was aged in medium toast two and three year old French oak barriques for six months to add complexity before full malolactic fermentation.

Vintage 2017: 2017 saw a return to vintage conditions not commonly seen for over two decades. A very wet winter followed by a cool summer with few spikes of heat meant that vintage as up to a month later than what has been common recently. A dry and consistently moderate autumn ensured the fruit was able to ripen slowly in ideal conditions. This “throwback” vintage will become famed for the quality and elegance of the fruit

Tasting Note: Pale yellow in colour with a restrained nose of stone fruit and white peach, struck match and notes of creamy oak. The palate is bold and upfront with a burst of peach, guava and melon flavours and a rich and soft texture building to a mouthcoating and full back palate framed by subtle toasty oak. Fresh acidity gives balance before a soft dry finish.
