## Alexander (THE GREAT)

### **ALEXANDER (THE GREAT) 2016**

*Tinto Fino (85%), Cabernet Sauvignon (5%), Malbec (5%), Merlot (5%)  
- D.O Ribera del Duero*

Alexander is located in the most oriental zone of the Wine Region Ribera del Duero, 900 meters high of altitude and hit by extreme weather. The winery has vineyards mostly planted of Tempranillo grapes in vases but also vineyards of Cabernet Sauvignon, Merlot and Malbec planted in espalier. The composition of the soil is essentially calcareous clay.

2016 vintage is exceptional and elegant. It has a dark ruby color and intense aromas of red fruit, with very subtle spaced touches, coming from the barrel aging. Tasty and fruity entrance on the palate with very well integrated tannins and long and complex finish.
