AF AFRICA SPICED GIN

We created this strong gin with North African flavors out of our passion for travelling and food. This spiced gin has spicy and strong taste. Discover the strength of our brew. We brought a strong foundation of Juniper berries, in addition to a perfect balance of Fenugreek, Ginger and Cinnamon flavors together with Cumin and Coriander. These ingredients ensure a strong and full gin with an African twist. This Belgian gin is distilled and produced in small batches by our expert artisans in order to guarantee the highest quality. We invite you to take a “sip of the world”, preferably pure straight or with a neutral tonic.
