

SORBO DEL MUNDO

AS ASIA DELICATELY SPICED GIN

We created this refined gin with Asiatic flavors out of our passion for travelling and food. This delicately spiced gin has an elegant taste with subtle herbal, pepper and citrus notes. Discover the strength of our brew. We brought a strong foundation of Juniper berries and Iris root flavorings, in addition to a perfect balance of Timur pepper, Clementine & Lime zest, Kefir lime leaves, Coriander, Bergamot and Cardamom flavors, together with bamboo and grilled Sesame seeds. These ingredients ensure a strong and full gin with a little Asian twist. This Belgian gin is distilled and produced in small batches by our expert artisans in order to guarantee the highest quality. We invite you to take a “sip of the world”, preferably pure straight or with a neutral tonic.
