

# SORBO DEL MUNDO

## EU EUROPE CLASSICAL GIN

We created this refined gin with European flavors out of our passion for travelling and food. This classic gin has an elegant classic taste with subtle herbal notes. Discover the strength of our brew. We brought a strong foundation of Juniper berries, in addition to a perfect balance of Gale, Yarrow and Sage flavors, together with Rosemary and Caraway. These ingredients ensure an elegant and classic gin. This Belgian gin is distilled and produced in small batches by our expert artisans in order to guarantee the highest quality. We invite you to take a “sip of the world”, preferably pure straight or with a neutral tonic.
