

SORBO DEL MUNDO

NA NORTH AMERICA FRUTY GIN

We created this fruity gin with North American flavors out of our passion for travelling and food. This fruity gin is light and fancifully. Discover the beauty of our brew. We brought a foundation of Juniper berries, in addition to a perfect balance of Cranberry, Basil and Oregano flavors together with Thyme and Tangerine. These ingredients ensure a fruity gin with a subtle spicy twist. This Belgian gin is distilled and produced in small batches by our expert artisans in order to guarantee the highest quality. We invite you to take a “sip of the world”, preferably pure straight or with a neutral tonic.
